1. POLICY

1.1 Whessoe Parish Council recognises and accepts that the management of risk is integral to the Council's stewardship of their assets and resources and the effective and efficient discharge of their duties and responsibilities to the community.

1.2 Risk assessment is a continuous process for the Council. Risks may be financial or non-financial.

1.3 The Council are responsible for the management of risk in accordance with this policy and plan.

1.4 The Parish Clerk is responsible for advising the Council on risk assessment and for conducting his/her duties in a manner that avoids undue risks to the Council.

1.5 Key risks are identified in the Risk Management Plan and Register attached to this document.

1.6 Risk Management is an aspect of the internal controls operated by the Parish Council through their approved Financial Regulations. Internal Controls are subject to scrutiny by the internal auditor.

2. RISK MANAGEMENT PLAN

2.1 This Plan defines how the Council will manage identified risks.

2.2 Risks can be defined as any threat or possibility that an action or event will adversely (or beneficially) affect the interests of the Council.

2.3 Risk management is not a process of avoiding risk altogether but seeks to identify risk and assess its implications in order to inform decisions.

2.4 The level of risk can be judged by the likelihood of it occurring and the effect on the Council should it do so. Risks are identified, assessed and scored on their likelihood and impact, and a resulting severity applied based on the following scoring matrix:

Likelihood		Impact		Severity
Very likely to occur	3	High	3	Likelihood x Impact
Possible	2	Medium	2	
Unlikely to occur	1	Low	1	

2.5 The Council will determine whether a risk is acceptable in all the circumstances, and they will be recorded on a Risk Register which will be reviewed regularly by the Council.

2.6 Generally, those risks that can be quantified are covered by insurances carried by the Council, i.e.

- Public Liability
- Employer Liability
- Money
- Fidelity Guarantee
- Property damage
- Officials Indemnity
- Equipment

2.7 The Council will review the Risk Management Plan as part of their annual budgetary procedure.

2.8 The Plan should be read in conjunction with the Council's Financial Regulations.
